BATHROOM PILOT PROGRAM

See the difference.

Actual ChutePlus bathroom work

BEFORE

AFTER

Same bathroom, before and after service.

DURING

Cleaning in progress

From an additional ChutePlus bathroom project.

Start with 1-2 bathrooms.

Intensive tile and grout cleaning, with targeted grout and caulk repairs as agreed in the scope.

Walkthrough & written quote

Coordinated access and scheduling

Before, during and after documentation

ChutePlus™

ONE COORDINATED SERVICE PLAN

Let’s discuss your facility.

Plan the right combination of cleaning, inspections and maintenance for your building.

SERVING

Hospitals & nursing facilities

Apartment buildings

Hotels & commercial properties

ChutePlus™

FACILITY CLEANING & MAINTENANCE

Cleaner spaces. Better care for your building.

Ventilation. Chutes. Equipment.
Bathroom cleaning and restoration.

EXPLORE OUR

Bathroom Pilot Program

01

Air & exhaust

Clean the systems that move air.

HVAC & ventilation

Duct and exhaust vent cleaning, with HVAC and roof fan inspections to check operating condition.

Dryer exhaust

Remove lint buildup from individual dryer ducts and shared building exhaust systems.

Kitchen exhaust

Clean commercial kitchen grease hoods, ducts and the exhaust stack above the hood.

02

Chutes & waste

Maintain the full waste-handling system.

Trash & linen chutes

Clean chute interiors, hopper doors and compactor rooms. Inspect doors and discharge systems.

Compactor service

Maintenance, repairs, sales and replacement options for compactor equipment.

Hopper doors

Repair or replace damaged hopper doors, including custom-size options where needed.

03

Specialty services

Inspect and clean hard-to-reach areas.

Video scoping

Locate visible obstructions and defects in ducts, grease shafts and trash or linen chute lines.

Boiler & chimney

Remove soot and deposits from serviceable boiler and chimney areas.

Graffiti & surfaces

Power washing to remove graffiti, gum, grease and other surface buildup.

Time-stamped photo and video documentation across all services.
